## Reiki Attunements

If you wish to give Reiki healing just for yourself, your immediate family and friends then you need Reiki Level I if you wish to give Reiki healing as a practitioner you need Reiki I and Reiki II.

### REIKI I

I offer Reiki I Attunements as part of a two day intensive course.

Fee: Reiki I £120 (which includes the Reiki I Manual; and follow up support).

### REIKI II (includes Reiki Seichim)

When you have completed Reiki I you would need to demonstrate that you have been practising on family, friends, animals and plants, and would need to attend our regular Reiki Share Days for a few months before considering Reiki Level II.

I offer Reiki II and Reiki Seichim attunements as part of a two day intensive course.

Fee: Reiki II £250 [Half price for those who studied and were attuned to Reiki I by myself] (includes all course materials, manuals, and follow up support).

### SEICHIM REIKI

Can be included with Reiki II or taken separately if you already have Reiki II. Seichim is an ancient form of channelled healing and transformational energy. Seichim is regarded as a feminine energy, possibly because it imbues love, respect and gentleness on those it touches. Seichim; also known as 'living light energy', is a healing system not unlike Reiki, an energy drawn from the limitless source of the universe. It can be accessed and used in a variety of ways, sometimes using symbols and others without symbols. It can heal, re-balance, accelerate your spiritual progress and help you achieve your true potential as a healer and light worker.

If you already have Reiki I & II I offer Seichim Reiki attunements as part of a one day intensive course.

Fee: £50 (includes all course materials, manual and follow up support.)
